### Education

Diploma • Nanyang Polytechnic • Apr 2021 - Present

- Join in Apr 2021
- Diploma in Infocomm and Media Engineering
- Part of our school's Worldskills Singapore team

O Level • Naval Base Secondary School • Nov 2020

- Graduated in 2020
- Took on various leadership roles like CCA vice-captain
- Emcee for the National School Games Finals (Table Tennis)

He works in a steady manner and maintains a calm composure even under stressful situations. Thoughtful and caring, he renders help to his peers and teachers when necessary. For his exemplary behaviour, Yen Pin was awarded the Sustained Good Behaviour Award in 2020.

- By Naval Base Secondary School (Ms Cheng Vivien 2020)

PSLE • Jiemin Primary School • Oct 2016

- Graduated in 2016
- Learn fundamental skills and knowledge
- Essential to my personal growth

### Achievements

Edusave Award • Nov 2022

Consistent performance in the school had given me opportunities. I was given the 2022 Edusave Awards - Polytechnic.

NYP Director's List • Apr 2021 - Sep 2022

Having been part of the top 15% of the cohort, I was admitted to be part of our school Director's List for all the past 3 semesters

### Projects

Advertisement Agency Website • Oct 2022

- Using VueJS to develop
- Laravel to provide API services
- Approve and reject advertisement request

Recipe Project • July 2022

- Developed with PHP
- Consist of admin and guest page

Snake Game • Apr 2022

- Awarded 'Best in Programming'
- Built with C#
- Distinction in Object Oriented Programming

## **Soft Skills**

---

### 1. Adaptability

Aim to embrace for upcoming challenges better, I have been able to adapt to fast changing situation and change my approach accordingly.

### 2. Critical Thinking

As part of critical thinking I will also gather relevant information, evaluate and give solutions depending on the information I have.

### 3. Teamwork

I enjoy working with my team to achieve a common goal and acquire a sense of accomplishment.

## **CCA**

---
